

SDS Imports Warranty Card

This form acts as a warranty card for your firearm. Please email the completed form to info@sdsimports.com to register your firearms warranty with us. If you need warranty repair, you will be required to show your **original proof of purchase and your ID**, so please keep a copy of those on hand. We warrant our firearms to be free from defects in performance and workmanship for **ONE YEAR** from the original retail purchase date. If you have a problem that is directly attributable to the quality of our product, we will make it right to include shipping and handling. Please reach out to info@sdsimports.com for warranty requests. **DO NOT SEND IN YOUR FIREARM UNTIL A CONFIRMATION EMAIL IS SENT BACK TO YOU** that includes an RMA number. We will send you a shipping label **after** the form is processed if required.

Additional Warranty Information:

End-users who ***abuse, improperly maintain, or alter the internal workings*** of their SDS firearm in any way, shall not be covered by the warranty. ***Damage as a result of the use of improper or incompatible ammunition such as reloaded, factory seconds or other nonstandard ammunition***, shall not be covered by the warranty. Additionally, sales outside of the United States, ***unauthorized repair and modifications to the firearm, including altering a serial number*** shall not be covered by the warranty. ***Worn parts from normal usage, normal wear and tear, and cosmetic damage*** shall not be covered by warranty, as the mechanical parts and materials that make up firearms eventually wear out and require maintenance and/or replacement.

RETURN WITHOUT REPAIR: If we receive your firearm and determine that its damage is **not** covered under warranty **or** there is nothing wrong with the firearm, we will contact you with an explanation, a video (if test fire was needed), and an estimate of your cost for us to return the firearm to you.
